BURN PATTERNS

ELECTRIC DRYER FIRE:

The “V” pattern on the front of this electric clothes dryer made this the most obvious such fire I had ever seen. The fire totaled an entire apartment. Dryers have been improved, but they still cause fires, in my experience.

DEFENSE CASES:

The following is a list of some of the more recognizable corporations for which I have conducted forensic engineering investigations, either directly or as insured's. Defense case comprise over half of my work:
